Weimar Academy Financial Information Overview

Perhaps you feel that God wants your child to attend Weimar Academy, yet you may be wondering how to make it work financially. Pray and God will answer your heartfelt prayers, He always does.

We believe that if Weimar Academy is in God's will for your child, it will be possible. What God asks us to do, He also enables us to do as we stretch to our limit mentally, spiritually, physically, socially and yes, financially. If we do our best, we will see God's willingness to help.

Weimar Academy is committed to giving you the best education for the lowest possible cost, yet quality education is not cheap. Every student who chooses to enroll full-time in the Academy is expected to work on campus. Parents are expected to contribute to their utmost ability. Other sponsors and summer work may be necessary as well.

Please call us with questions (530-422-7947) and we are very willing to assist you in your financial planning. You will be asked to complete the following financial plan worksheet showing your payment plan.

For Your Information:

- One month's tuition/room/board and the total registration fees (as listed in Section 1) are due at the time of registration.
- A monthly tuition/room/board payment will be due by the 15th of each subsequent month (September through May).
- A student will not be allowed to take their semester finals if they have a balance on their account. The only exception to this rule is if a plan has been submitted by the parents and been approved by the finance committee.
- A student may not draw funds from their tuition account, but you may open a separate account at the Business Office to care for your student's personal needs.

Instructions:

Section 1: Based on the number of semesters your student will attend, complete the appropriate column for projected fees and deposits and total the column. Add the foreign student deposit and admission fees if applicable. Foreign student medical insurance is purchased individually. Uniform costs vary based on quantity purchased, but are approximately \$150. Foreign student admission fees are one-time only fees and are due at your first registration.

Section 2: Enter all financial resources. If your funding resources will cover all anticipated costs, skip to Section 4. If present resources are not sufficient, please obtain sponsorship forms from Academy Admissions and complete Section 3. You may get the forms at <http://weimaracademy.org/documents/>, call (530) 422-7947 or email academy@weimar.org to coordinate getting the forms. Family members, church members, co-workers, etc. make great sponsors.

Section 3: Speak to your church pastor and request assistance from the church's worthy student fund or from your local conference. Total all sponsorship funding available to you. To prevent delay in processing your application, make sure to provide any needed sponsorship agreement forms. Without the proper sponsorship agreements (if applicable), your application will be incomplete.

Section 4: Summarize your financial plan by adding the totals from Sections 2 and 3 (line B) and subtracting that amount from the total from Section 1 (line A). If there is an amount remaining (line C), please explain on line D how the remainder will be covered.
