Diploma Requirements

General Education Diploma

A Weimar Academy general diploma requires the completion of 220 credits with a minimum GPA of 2.0. Many colleges/universities will permit a general diploma to meet their entrance requirements. The 220 credits for a general diploma (10 units equal to 1 year of coursework) will include the following:

40 credits of English	20 credits of Math (Algebra I required)
20 credits of Social Studies	20 credits of Science (Biology or Equivalent Required)
5 credits of Government	5 credits of Stewardship
5 credits of Computer Science	10 credits of Foreign Language
95 elective credits**	

College Preparatory Diploma

Weimar Academy offers a college preparatory program designed to meet college/university entrance requirements. Students should plan their programs so they meet the specific requirements of the colleges/universities they plan to attend. A college preparatory diploma is earned upon completion of 250 units with a minimum GPA of 3.0. The 250 units (10 units equal to 1 year of coursework) include the following:

40 credits of English	30 credits of Math (Algebra I or above required)
20 credits of Social Studies	30 credits of Science (Biology or Equivalent Required)
5 credits of Government	5 credits of Stewardship
5 credits of Computer Science	20 credits of Foreign Language
95 elective credits**	

**All Students are required to take and pass the following classes every year they attend Weimar Academy:

Bible Agriculture Work Education Music
